

Application No. 08/921,311 filed August 29, 1997 (now U.S. Patent No. 5,815,248), which is a continuation of Application No. 08/636,272 filed April 29, 1996 (now abandoned), which is a continuation of Application No. 08/231,159 filed April 22, 1994 (now abandoned).--

IN THE CLAIMS:

Please cancel claims 1-31, 34, 36 and 37 without prejudice to or disclaimer of the subject matter contained therein.

REMARKS

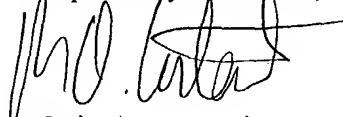

Claims 32, 33 and 35 are pending. By this Amendment, claims 1-31, 34, 36 and 37 are cancelled.

This reissue application pursues the claims placed into Group II in the January 28, 2003 Restriction Requirement that was made in parent Application No. 09/989,470.

Because claims 32, 33 and 35 were presented in the parent reissue application, it is believed that the Reissue Declaration and Consent of Assignee from that application, copies of which are filed with this application, are appropriate for use with this application.

Examination and allowance in due course are earnestly solicited.

Respectfully submitted,

Mario A. Costantino
